

BUSINESS PRESS RELEASE

William A. Powers joins Goldman Collins Associates

Hebron, NH, April 5, 2012, Goldman Collins Associates LLC of Hebron, NH has welcomed William A. Powers as an Associate. Bill is a technical professional whose expertise spans applied statistics, quality improvement, systems design and implementation, and SAP Basis administration. Prior to joining Goldman-Collins Associates, Bill managed his own consultancy, focusing on the application of technology to the challenges of small-to-medium companies. Before this, Bill was a Sr. IT Analyst with Bayer Corporation, where he assisted several acquired manufacturing companies with issues of IT planning, installation, integration, and training. Prior to this, his background was in the utilization of tools to improve product quality, operational efficiency, and team-based effectiveness. The combination of his technical competence and his communication skills enables him to understand the clients' concerns, guide them to a workable solution, and lead the effort to implement it. Bill is a registered Microsoft Partner.

Goldman Collins Associates provide consulting leadership in the areas of mergers and acquisitions, domestic and international business expansions, marketing, product and business startups, corporate turnarounds and program/project management, business development, manufacturing improvements, interim management, IT and Networking. Goldman Collins Associates LLC was formed in 2000 and is based in Hebron, NH.
